I. Public Comments

No comments were made.

II. Discussion

Mr. Steve Neilson provided an update on hiring a new LAMTPO director. Mr. Tony Cox discussed the bylaws regarding the hiring process. There was a discussion of the current needs of all LAMTPO entities.

III. ITS Architecture Plan

Mr. Steve Neilson discussed the timeline and deployment examples of the ITS Architecture Plan. Mr. Troy Ebbert discussed the potential TDOT role. Mr. Tony Cox made a motion to proceed with the plan, Bill Brittain seconded; all voted "aye"

IV: Presentation

Mr. Troy Ebbert discussed TDOT's 10-Year Project Plan.

V: Information & Updates

TDOT discussed the timeline of ongoing projects within LAMTPO jurisdiction. FHWA or FTA was not present.

VI: Presentation

Timothy Tresohlavey (Stantec) presented the current progress of the 2050 Metropolitan Transportation Plan. He provided an update of the current status of the plan along with a timeline and schedule moving forward. It was also noted that there was a community meeting/open house that evening at the Public Works facility in Morristown.

There being no further business, the meeting was adjourned.
