

## MORRISTOWN SEEKS INPUT ON SR-160 STUDY

*Survey Open Now*

**MORRISTOWN, TN (For Immediate Release)** – The Lakeway Area Metropolitan Transportation Planning Organization (LAMTPO) in partnership with the City of Morristown have launched an online survey for the SR-160 study. This survey is available online now at <https://metroquestsurvey.com/su1h1c>. You may also scan the QR below which goes directly to the survey.

The goal of this project is to improve the overall safety, traffic flow, and operations for all modes of transportation along SR-160 in Morristown.

The purpose of this survey is to gain your input regarding safety concerns along the SR-160 in Morristown. The survey focuses on improvements the public would like to see implemented along the roadway and only takes a few minutes to complete. It also includes an interactive map exercise that allows you to specify exact locations where you may have concerns.

If you would prefer to take the survey on paper, you may request a copy by calling Lakeway Area Metropolitan Transportation Planning Organization (LAMTPO) at (423) 581-6277.

*The survey will remain open to the public until March 10, 2023.*
